## ACTIVITY:

### NOTE FROM REVD WENDY:

*This activity can be used in a large or small group.*

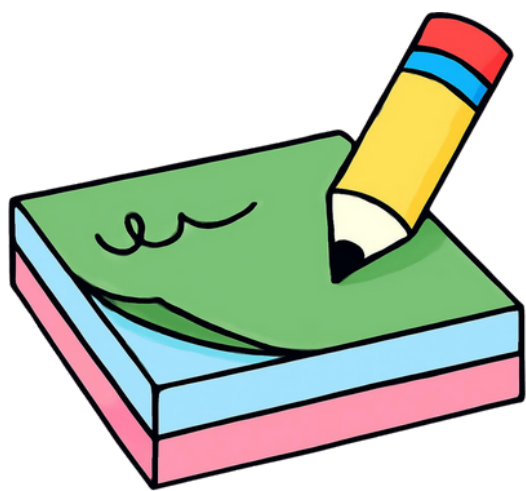

*I personally use this in a confirmation class.*

1. Children can decorate the Gift box template or jam jar exactly how they wish to.

**2.** The gift box will need to be constructed after decoration.

**3.** Ask the children to write positive comments on the post-it notes about someone in the group then give that note to that person for them to keep in the gift box or jam jar.

The aim of the lesson is to show the effect that we can have as Christians when we actively seek out to be a blessing to another, and what it feels like to have someone be a blessing to us.
