Profile: Tredegar

Population

Tredegar is a typical Welsh valleys town; the wonderful people here have a strong sense of justice, honesty, and authenticity and will respect the same in those who lead the church. With 45% of the population in the targeted under-40s age range (according to 2021 census data), there is huge potential to grow a dynamic multi-generational worshipping community.

Location of church

Saints in Tredegar will worship at St George's church, which is a beautiful and large building beloved by locals and built in the style of a large chapel – giving a nod to the ecclesiastical history of the Welsh valleys and providing a familiar and comforting setting for locals to worship.

Several outreach programmes are established in St George's already and successfully reach differing demographics. The Saints team will be planted with the ability to learn lessons from these pioneering programmes, and build on the community engagement already started.

Area

Tredegar has its challenges as a post-industrial town with a struggling town centre in need of regeneration. According to the Welsh Index of Multiple Deprivation, it is the 34th most deprived area in Wales. This makes the presence of Saints in Tredegar an exciting and bold opportunity to share hope and Jesus' transformational love to the families living there. Many of the residents have lived in Tredegar for generations and share a strong sense of the town's identity.

Impact

Outreach opportunities in Tredegar are vast; with a struggling town centre there is limited positive competition for people's time. This allows the Saints team to design and develop programmes specifically to serve the community and demonstrate by action the hope of the Gospel.

Saints: Our story

In October 2022 a new vision and strategy was launched for the Diocese, placing evangelism at the heart of what we do. This developed a desire to launch new forms of church in our communities, responding to the high levels of loneliness and isolation recorded post-Covid, and reaching the generations not often seen in our current congregations.

Ministry Areas were asked to submit proposals for new church communities, resulting in our first two locations for Saints: Chepstow and Tredegar. This plan was made possible with extensive funding from the Church in Wales, specifically given for church growth.

We are growing a team for each location; seeking to start the next phase of our story. We envisage a team passionate about our values and vision, working alongside our project manager and the existing network within the location's ministry area, to creatively develop services and activities which embody God's family.

This vision is ambitious and comes with a set of objectives that our team will be supported to achieve; these focus on depth of growth – spiritual maturity, outreach into our communities, and the establishment of our family culture. Our hope is that this way of doing church is infectious and it plays a part in revitalizing faith in our younger generations here in Wales.

Would you like to be part of our story?

Why 'Saints'?

Following Jesus means being adopted into his family, joining with those who have been adopted before; past, and present. In this family, all are welcome, and all belong. Our name highlights our culture – of belonging to Him, of living in community and being family to each other. As followers of Jesus, our family includes all those who have believed before us. We are part of a large family of saints who we will live with, as family, again. We want to welcome people into the family of our church, but also into the family of saints in heaven. Our vision is to see the lonely set into families (Psalm 68:6) and for this family to flourish, here and forever.

*“God sets
the lonely
in families”*

Values

Welcoming

we aim to break down barriers of loneliness, create a welcoming environment, and make people feel seen and valued.

Humble

we are teachable, promoting Jesus above ourselves, working as a team, listening to others - valuing their gifts, ideas, and voice.

Authentic

we do not strive for perfection but for authenticity, we are flawed but disciplined, fun but messy, and we reach others not through our ability but through our imperfections.

Discipleship

we do life together, growing in faith together, deepening our love for each other, through Jesus' example and growing in His character.

Being Saints

Jesus centred

Our mission is to bring the good news of Jesus to those in our community locations. This joyful news is the focus of all we do. Growing together and growing outward both involve our eyes being fixed on Jesus.

People focused

We will not lose sight of the individuals around us; both in our congregations and in our wider community. We will seek to encourage and equip them, to grow their faith alongside ours, to serve and love them, seeing and valuing the people God has made them to be, precious in His sight, made in His image, and worth Jesus' dying for.

Family culture

We are adopted into God's family, co-heirs with Jesus. This means we treat everyone in Saints as family. We act in love, make room for mistakes, have fun, make mess, speak truth, and above all – make sure everyone knows that they belong.
